## STVHCS Surgery Service

The South Texas Veterans Health Care System (STVHCS) Surgical Service oversees all inpatient and subspecialty surgical care for over 75,000 of the Nation's Veterans enrolled at STVHCS.

We service over 60,000 new patient consultations annually. Our surgeons also perform over 5,000 surgeries each year. We also have several specialty care services in Kerrville, TX.

Many of our staff are Veterans, and all are committed to providing quality health care by following the ICARE core values.

**On behalf of all of our staff, your care is our calling!**
